

Health Administration Program

The Health Administration major provides students with a university education that promotes personal and professional growth as well as concentrated awareness of health systems and their effects on society. Flexibility in course selection encourages students to develop a program of study that will strengthen their analytical skills, expose them to new thought, and develop their awareness of leadership and responsibility as citizens and future health administrators.

Health Administration Required Courses

A minimum 120 credit hours are required for the degree. Other administrative requirements will be needed; see the University Catalog for detailed requirements.

Intellectual Foundation Program (IFP) *

English I	ENC 1101
English II	ENC 1102 (Pre: ENC 1101)
Society and Human Behavior	6 credits (3 credits met by ECO requirement)
Natural Science	6 credits (one course with a lab)
Math & Quantitative Reasoning	6 credits (must include STA2023)
Global Citizenship	6 credits
Creative Expression	6 credits

*Students admitted to FAU prior to fall 2009, see the [General Education](#) requirements. Students who have earned an AA (Associate of Arts) degree from a regionally accredited Florida Public Institution will be deemed to have met the IFP.

Pre-Professional Business Courses (Minimum grade of "C")

Accounting I (Financial)	ACG 2021 (Pre: 30 credits)
Accounting II (Managerial)	ACG 2071 (Pre: ACG 2021 with grade of "C" or better)
